

The Contrepreneurs™ Project

Your Opportunity is Our Responsibility

General Volunteering with V-Teams

Dear Volunteer:

We know you are busy with your life and that volunteering for any cause can be difficult. This application form is intended to find out where your strongest talents and abilities are.

We'd like you to introduce yourself by providing all of the contact information you are willing to share. Also, to direct your skills to the best use, we'd like you to indicate if you have any preference as to how you contribute your talents.

We'd also like to know if you have any relatedness to the communities The Contrepreneurs™ Project is targeting with its services: physically handicapped veterans, vision impaired adults, non-habitual ex-offenders. You can "x" out any questions you would not feel comfortable answering or revise a question to make your response more clear.

Finally, it is our intention to cause teams of The Contrepreneurs™ Project volunteers. We call these teams, V-Teams. If you are interested in being a V-Team Captain, there is a section in the questionnaire that we'd like you to complete.

Thank you for your interest in The Contrepreneurs™ Project.

Warm and kind regards,

Jay McIlroy, Founder/CEO
